## RUGERITES SHOW GOOD BASEBALL AGAINST HULAS

Beavers Finally Win Out By  
Score of 3 to 1 at Athletic  
Park Yesterday

The Fort Ruger ball tossers met the "Hula-Hulas" or Beavers in a practice game at Athletic park Tuesday afternoon and made an attempt to procure balm for the wounds they received from the Coast Leaguers last Friday afternoon, while they failed in their attempt they made the Ten Town boys realize that they were taking part in a game of baseball. The game was a fast and well played one, the final score being 3 to 1 with the Beavers on the long end. It is very doubtful if McCredie would have placed a bet on the outcome of the contest at any time until the last rugerite was thrown out at first by Zwickel. Pruetz, who was on the mound for the soldiers, seemed to have lots of "stuff" and while the Leaguers connected with his shots pretty often there was always a husky cosmoline slinger in the way. Their safe singles totaled eight, while the Soldiers collected five. The hits gathered by the winners went for a total of 11 bases while the losers totaled 10, this making the hits balance pretty well.

Considering the showing made by the Fort Ruger team in this game and their performance in the past they should be taken notice of by the so-called baseball magnates of Honolulu and be given a chance to perform before the public. They should remember that there are other soldier teams on the island besides the 25th Infantry and the 32d Infantry. The Ruger boys have always had a good team in the field, but when it was mentioned that they should be given a chance some of the worthies were always ready to sneer.

OBJECT TO POTATO PATCH

(By Associated Press)  
PARIS, France.—The proposal to grow potatoes in the Bois de Boulogne is not received with favor by Parisians. Why, they exclaim, are not the Luxembourg, plots in the Champs Elysees, or Park Monceau used instead. Early in the war, when the retrenched camp of Paris was menaced, parts of the Bois were used for herds of cattle and sheep as an emergency measure, but now no need is felt for precatinary steps which might damage this most favorite of places frequented by Parisians.

## TENNIS FINALS IN DOUBLES TO BE GOOD MATCH

Ladies Will Play for Champion-  
ship Tomorrow at the Polo  
Courts; Semi-Finals Today

**TENNIS TODAY**  
At Hawaii Polo and Racing Club courts:  
Mrs. F. A. Belin and Miss Janet Storrs vs. Miss Kathryn Williams and Miss Pauline Schaefer.

**TENNIS TOMORROW**  
Finals of ladies' doubles — Mrs. George Coulter and Miss Ward vs. winners of today's match.

Tennis results finished as expected yesterday afternoon at the Hawaii Polo and Racing Club courts, and in a three-set match Miss Kathryn Williams and Miss Pauline Schaefer won their way to the semi-finals. They will meet the two Eastern players this afternoon at 3:30.

Miss Schaefer continued to play her steady game and lobbed continually while Miss Williams played a number of excellent loft strokes which were good for points. Miss Anderson and Miss Richards played good tennis in the first set, winning out 6-4.

In the last match of the day the Eastern players won from Mrs. Gordon and Miss O'Sullivan in straight sets. Mrs. Coulter and Miss Ward also defeated Miss Stubbs and Miss Josephson in straight sets. It is expected that Mrs. Belin and Miss Storrs will win in the match this afternoon, although the local players have been showing excellent form to date. The Eastern players should have an excellent chance to win in the final despite the excellent play of Mrs. Coulter and Miss Ward, who have never lost a championship.

The results of the play yesterday follows:

Miss Kathryn Williams and Miss Pauline Schaefer defeated Miss Ruth Anderson and Miss Ruth Richards 4-6, 6-0, 6-4.  
Mrs. George T. Coulter and Miss Ward defeated Miss Edith Stubbs and Miss Pearl Josephson 7-5, 6-2.  
Mrs. F. A. Belin and Miss Janet Storrs defeated Mrs. E. L. S. Gordon and Miss Maud O'Sullivan.

## McCredie Watches His New Battery

Walter McCredie, the big boss of the Beavers, is always looking for talent. The other day at the ball park the Beaver boss was giving a Honolulu battery the round and round as they walked over toward the bench to discuss their signals. McCredie believes that the little fellow will be one of the best slow ball pitchers in the business, while the catcher looks good from some angles. Inasmuch as McCredie has his eye open for the young, he will give Connie Mack the fits when it is flashed around the world that McCredie has discovered a 7-year-old find. The best that Connie could find was a 13-year-old boy signed for his Athletics. Walter is going to give the battery a try-out, and if Fawcett, Kennedy and Cronin can hit his pitcher, the chances are not bright for the youngster going up this year.

## LOCAL BOWLERS MAKE 2741 IN MCDOWELL TILT

Honolulu Y. M. C. A. bowlers rolled their last match in the Pacific "Y" League last evening and made a creditable showing against Fort McDowell. The soldiers "Y" has a great team and the Honoluluans will be fortunate if they can win.

The first and third games look good, but it is very doubtful if the second game and total pinfall of 2741 will be sufficient to defeat the Fort McDowell cracks. Wireless results are expected Friday, which will determine the result of this match on which second place in the final standing rests.

Leslie Scott showed real big league form last evening. The Pirates' star turned in a 193 average for his evening's card. Carl Wikander was a close second with a 190 average. J. C. Chamberlain had high single game on the first team.

J. W. Canario was the second's best bet. He averaged 189. Captain George Mills rolled high game for the evening, 214. J. T. Young was very good. Every man on both teams bowled consistently, and although there were no especially high marks made, there wasn't a single man on either team who failed to average 170 or better.

This evening the senior leaguers will resume their matches. Captain C. H. Atherton leads his Comet quintet against the Service. Captain Guthrie is making every effort to secure the services of Captain Clayton in an effort to score heavily on the Comet tonight. Guthrie and Hornberger have been showing fine form lately and the Service is due to climb.

## MILLS TO HAVE GOOD TEAMS FOR CORNELL GAMES

Athletic activities at Mills School for the past week have been directed to preparation for the Cornell Cup meet to be held next Saturday afternoon at Kamehameha field. Mills' strong forte in the past has always been long-distance running, and special attention has been paid to the two and four-mile relays. The two teams have been practically decided upon as follows:

Four-mile relay—Chun Lee Puck, Edward Ha, Kosiki, Frank Souza, Teragawa, Paul Ng, Isimura.

Although there have been several elimination contests during the week in an attempt to pick teams and decide on other entries, nothing very definite has so far been done regarding the field events and dashes. The only event in which Mills will not make an entry is the high jump. Coach Ross thinks the long distance men profited much by the loss of the Cornell cross country trophy to Kamehameha two weeks ago, and feels sure that as a consequence the long distance events will be the most exciting in Saturday's meet. The neck and neck race between Kam and Mills in the cross country run gives great promise of a hard battle.

The past week has also seen the completion of a new swimming tank at Mills School. This, together with the rearrangement of the baseball field in preparation for the inter-class ball games, will constitute the main sources for the outlet of energy for the next several weeks.

**WILLIAMS WANTS MONEY**

CHICAGO, Ill.—Cy Williams, hard-hitting outfielder who had declined to sign a Chicago National contract at the terms offered him, said that the threatened strike of the Baseball Players' Fraternity, of which he is a member, was not in any way responsible for his action. He added that he had decided to ignore the fraternity so far as the signing of a contract is concerned.

"It's merely a matter of terms," he said. "The fraternity has nothing to do with my attitude. In fact, I do not think the fraternity has been fair either to me or the other players on the Chicago National League club in calling the strike for February 20, the day we are scheduled to start for the training camp. If a strike had to be called it should have been set for the opening day. Then all the members

## PORTLAND BOSS LEADS LIST IN MAKING FUNDS

Walter McCredie Has Sent  
More Players to Big Leagues  
Than Any Other Manager

"Any time that you hit it right with a runner on the base it helps in the run making," said Walter McCredie, the best manager in minor league circles, at a recent workout at Athletic park. McCredie is a great student of the game, and sees to it that his players learn every angle of baseball or they don't stick.

One of the bushers was slugging away at the ball and invariably was hitting to the left field. A runner was on second and the busher hit one to left. "Try it to right next time and see what happens," yelled McCredie. Finally the busher managed to hit one to right field and the runner reached third easily. The next time up the second baseman ran over for the ball and threw the busher out at first, but the runner reached third. "That's just as good as a sacrifice," said the Portland boss, and finally the busher began to whang them out to the right side of the diamond.

Best in Business  
Walter McCredie, the big boss of the Portland Hulas, has been acknowledged the leading minor league manager in the business, and once had a call from Cleveland when the Indians needed a leader, but Walter and his uncle, Judge McCredie, are the owners of the Portland club and it would be hard to tempt them to leave the Rose City.

Walter McCredie has sent more baseball players to the big leagues than any other manager, and has wonderful success in developing shortstops. He began his baseball career as a pitcher and outfielder in the Western League, and made such a good showing that he was sent to Brooklyn.

From Brooklyn he drifted to Portland in 1913, and played on the team there in the outfield. In 1905 the big outfielder urged his uncle, who was then a practicing attorney in Portland, to buy the club, and since that date the McCredies have been the whole works in the Oregon metropolis. In 1905, when McCredie took hold, he did not have a strong team and finished down in the race, but the next year he surprised the magnates by winning the pennant and produced one of the greatest minor league teams in baseball. McCredie has taken a young team at the first of the season and captured pennant after pennant from his rivals, who figured that the youngsters would blow up.

The List  
Among the Portland players who have performed in the big leagues are Larry McLean, Sweeney, Mitchell, Bancroft, Rodgers, Olson, Johnson, Gregg, Howard, Kuhn, Graney, Groom, Seaton, Evans, James, Peckinbaugh, Steen, Covaleskie, McHale, Klepfer, Hagerman, Reuther, Hellman, Ryan, Noyes, Kores, Fisher, Coadbourne, Howley, Krapp, Speas, Ward, Carisch, Egan, Sotheron and others who have been given tryouts at various times. Peckinbaugh, Olson and Ward are three shortstops who will perform in the big leagues this season.

## Leslie Clark Wins College Tennis Final

(Special Star-Bulletin Correspondence)  
COLLEGE OF HAWAII, March 7.—The College of Hawaii tennis tournament was won by Leslie Clark from Herbert Walker, in one of the best games of tennis that has been played at the college this year. The winner had to take the best three out of five sets. The scores were 4-6, 6-4, 4-6, 6-2 and 6-4.

The whole tournament was closely fought among the contestants. The semi-finals, between Louis Henke and Leslie Clark, and Frank Nicholson and Herbert Walker, were particularly tough fights. The final game, which lasted till darkness set in, was played under very difficult conditions, for a high wind made fast and accurate playing almost impossible. All the sets but the fourth consisted of hardly anything but deuce games, and it wasn't until the final set that the winner could clearly be chosen.

**FORTY ELK FEEDING FIVE MILES OF STEAMBOAT SPRINGS**

STEAMBOAT SPRINGS, Colo.—A band of forty elk was discovered ranging within five miles of this place, the nearest elk have come to the town in years. The hot springs, five miles from town, cover a considerable area and the steam which arises from them keeps the snow off the ground for a wide radius. The grass remains green the year around and the elk have ventured in to feed on it. Ski runners came upon the bunch recently. The springs are in an isolated section.
